

THE ULTIMATE WEDDING PACKAGE

*HD/3D Wedding video & photography All in One package
Optional deluxe wedding album are available*

Your wedding is an important milestone in your life,
the memories are cherished forever.

At Family Album DVD we aim to make your wedding and indeed every special occasion a time to remember for many years to come.

Our carefully created DVD's... outline your childhood memories and celebrations including photographs to share with your family and friends at your reception, HD/3D(optional) recording video footage and audio messages from family and friends for you to view and hear on widescreen TV.

Why not include The Ultimate Wedding Package in your forthcoming plans to ensure every moment of your big day is captured for you to treasure.
